UCSan Diego SANFORD STEM CELL INSTITUTE

SANFORD STEM CELL INSTITUTE SEMINAR SERIES

Cellular Reprogramming in Human Disease

Deepak Srivastava, MD

President, Gladstone Institutes
Professor, Departments of Pediatrics and
Biochemistry and Biophysics
UC San Francisco

Hosted by
Evan Snyder, MD, PhD

Professor, Human Genetics Program Director, Center for Stem Cells and Regenerative Medicine; Sanford Children's Health Research Center

Sponsored by
UC San Diego

SANFORD STEM CELL INSTITUTE Sanford Stem Cell Discovery Center

Thursday, May 8, 2025 from 9:30-10:30am

Duane Roth Auditorium

Sanford Consortium For Regenerative Medicine 2880 Torrey Pines Scenic Dr. La Jolla, CA 92307

Refreshments will be served

Attend virtually through Zoom https://ucsd.zoom.us/j/95780022234

Learning Objectives

At the conclusion of the activity, the participants will be able to:

- Treat patients with stem cells more effectively as a result of multidisciplinary discussion
- Disseminate the latest research and clinical advances on stem cells and regenerative medicine
- to promote improved strategies and methodologies
- Promote further investigation into topics involving stem cells and regenerative medicine
- Translate stem cell and regenerative medicine research from bench to bedside

Accreditation Statement

The University of California, San Diego School of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. The University of California, San Diego School of Medicine designates this live activity for a maximum of 1 AMA PRA Category 1 Credit(s)TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
